A college affiliated to the University of Calcutta

## Policy for Water Conservation Facilities

[Prepared by the IQAC in its meeting dated 20/04/2023 and allowed for implementation by the Governing Body of Lalbaba College in its meeting dated 19/03/2024]

*Principal*  
**LALBABA COLLEGE**  
323 (117), G. T. Road, Belurmath  
Howrah - 711202

*Coordinator*  
**Internal Quality Assurance Cell**  
Lalbaba College

The college uses only supply water from the Municipal water supply. In order to utilize supply water more effectively and efficiently within the campus, the College is ready to undertake following initiatives:

- 1) Installation of sensor-based taps and sensor based flushing system for restricted and optimal utilization of water.
- 2) Ground water recharging through collection of rainwater and its re-direction to the wells for percolation.
- 3) Sensor-based taps for watering into the garden.
- 4) Conducting annual water audit in the institution.
- 5) Technique of rainwater harvesting for water conservation measures.
- 6) Improving water quality by periodic cleaning of the water tanks.
- 7) Installing water purifiers in different positions for safe drinking water.
- 8) Installing water coolers in different positions for cooled drinking water.
- 9) Cleaning of water coolers on a periodic interval.
- 10) Sensor based system to be introduced for operating water pump and monitoring water level automatically.
- 11) Sensitization on Water Conservation is promoted by planting trees, by conducting green campus promotion activities and by organizing seminars and workshops.
- 12) Extension activities to sensitize and educate the local community about the importance of water and the methods to conserve it.
